Superintendent’s Report:
Legislative, State & Region Items of Interest

- School Safety - SHB 1216 was signed by the Governor on May 9, 2019. The good news is that nine Regional School Safety Centers (RSSCs), with three new positions, are in state statute. The initiative was funded at 21% and will require additional state funding through the State Legislature.

- State Employee Benefits (SEB) - HB 2140, not yet signed by the Governor, includes a SEB implementation delay for ESDs until 2024. The Governor has until May 21 to sign, not sign, or veto pending legislation.

- Senator Wellman, Early Learning and K-12 Committee Chair, is visiting ESDs in either August or September. We expect to see a tentative visit schedule before the end of this week.

- WSSDA requested OESD host the WSSDA Region meeting on Saturday, October 26, 10:00 AM – 1:00 PM. With the OESD Board’s support we will plan accordingly.

Additional Regional Events and Information

- Thanks to Elizabeth Drew, Katie Proteau, Donn Ring and Stephanie Parker for attending the WSSDA Regional meeting on Saturday, May 11.

- Thanks to Carl Johnson, Elizabeth Drew, Katie Proteau and Stephanie Parker for attending the OESD School Safety Breakfast on May 14.

- Thanks to Tim Garchow, WSSDA Executive Director, for facilitating a Board Candidate pre-filing discussion on May 7 at OESD 114. Two candidates, all from the NKSD area, attended.

- Classified Employee of the Year (EOY) Celebration was held on May 15 at OSPI. Quileute Tribal School, Stephanie Doebbler is our Region’s EOY.

- Thanks in advance for joining us for our OESD Years of Service & Retirement Celebration on Fri., May 17.

- Thanks in advance to Elizabeth Drew for her participation in the annual AESD accreditation panel on May 20-21.

- Regional Jefferson County Education Partnership (JCEP) meeting in Port Townsend, at Salish Coast (new elementary school) on May 23 at 5:30-7:30 PM.

- The next Policy Council meeting is on May 21 - Carl Johnson is scheduled to attend. Elizabeth Drew is scheduled to attend the meeting on June 18.

- Sequim Superintendent Gary Neal submitted his resignation effective June 30. The Sequim School Board is in the process of hiring an interim Superintendent for the coming school year.

- Kitsap County formally notified OESD that the Kitsap Alternative Transition School (KATS) will be terminated at the end of this school/calendar year. On April 26, a meeting with the Kitsap County and North Mason School District Superintendents, OESD and Kitsap County Officials, took place. We are currently exploring options.

- Jessica Vavrus, WSSDA Director Gov. Relations, has been hired as the new OSPI/AESD Network Executive Director.

- Queets-Clearwater School District is facing a budget deficit of ~$260K for school year 2019-20. Given the district’s size, ~15 Full Time Equivalent (FTE) students, and declining enrollment, staff reductions are being considered. Even with significant staff reductions, we have concern that the district will remain fiscally solvent.
Additional Regional Events and Information (continued)

- The good news is that recently passed legislation provides Queets-Clearwater School District ~$100K “hold harmless” dollars that will provide short-term mitigation for the coming school year.

- Artwork by student Jacob Simon (Elizabeth Drew’s grandson) titled, "Not as They Appear" from the South Kitsap High School, will be featured as the cover image of WSSDA’s summer publication of DIRECT.

Financial, Technology, and Human Resources – Monica Hunsaker introduced Consultant, Fred Corn, Educational Management Solutions, to provide a salary review update. An Executive Summary handout was provided to the Board.

- **Salary Review Update** – Mr. Corn provided a presentation on the process of how compensation was evaluated during the study, findings and recommendations to the Board considering funding availability. Ms. Hunsaker and Mr. Corn responded to questions from the Board. The timeline for implementation was reviewed. Other benefits to employees were discussed as potential options such as additional personal leave and a very limited pilot of telecommuting for specific positions. Salary schedules will be included in the budget proposal for the Board’s approval in June. In the meantime, information will be shared with the three Board Members unable to attend today’s meeting.

Monica Hunsaker provided preliminary budget information via PowerPoint presentation.

- **Budget Status Report & Preliminary 2019-2020 Budget** – A slide presentation was provided for the Board to review budget considerations, cost for salaries, core revenues and expenditures, fiscal impact of salary study, and impacts of School Employee Benefits (SEB) legislation. Pending the Governor’s decision on signing the delay for SEB for ESDs on May 21, final decisions on salary increases for ESD staff are on hold. The budget does not have room for both SEB and implementation of all salary study recommendations. Board Members thanked Fred Corn and ESD staff for the work on the Salary Study.

- OESD budget is on track for the current year. The General Fund ending balance was $-481,509.19 (adjusted amount considering the state’s GASB accounting formula is $8.523 million). Unemployment Fund ending balance was $4.33 million; the Workers Compensation Fund balance was $11.731 million; and the Compensated Absences fund was $792,721.10.

- **Teaching and Learning Updates:**
  - Legislative updates:
    - E2SHB 1139 – Educator Workforce Supply; changes the required comprehensive performance evaluation frequency from every four years to every six years. Districts will also likely see an impact (decrease) to their i grants 664 monies as a result of legislative funding related to TPEP.
    - SHB 1658 – Paraeducators - 14 hours of mandatory training for Instructional Paraeducators, requirements for districts to implement and a timeline
    - E2SHB 1599 – High school graduation requirements and removes the direct link between statewide assessments and graduation requirements
    - ESHB 2140 – K-12 Funding; includes a new Career Connected Learning position at each ESD. Funding questions remain.
  - New Threat Assessment position – considerations are underway to fulfill the need to support the work of the Regional School Safety Center (RSSC).
  - Accreditation is scheduled for May 21 and 22. ESD 189 has prepared a 3-minute video about the process to be used as a marketing tool to school principals.
  - Angela Wageman, currently the OESD Certification Specialist, has been hired as the new Human Resources and Certification Specialist effective July 1. An additional administrative assistant position will be posted for HR/Certification.
Teaching and Learning Services (continued) -
- Carrie Schmidt, former staff member of OESD’s Early Learning Department, passed away last week. Some staff will be attending her service on Friday, May 17.
- In response to a question from board regarding approximate expenditures of $42 k for Early Learning training, Ms. Lathrop noted that the training expenditure meets part of the program’s grant requirements.
- Update on School Safety Networking Breakfast on May 13: Approximately 15 attendees participated in the follow-on professional development offered at the OESD after the breakfast event. Representatives from several districts, law enforcement and another ESD, attended.
