ADMINISTRATIVE REPORTS
Board Presidents Meeting: Carl Johnson provided highlights from a meeting, first of its kind, with several Board Presidents from School Boards in the following districts: Bremerton, South Kitsap, North Mason, North Kitsap, Central Kitsap, Bainbridge Island, and OESD. Because it seemed worthwhile to attendees, other districts will be invited to future meetings. Next one potentially in January. An opportunity to get a sense of the challenges districts are facing. The purpose is solely a matter of understanding the dynamics of serving on a school board. Each shared their Board goals. They will take precautions so that they do not get involved in any specific agendas or operations of any district. Board members held discussion about the purpose and non-purpose of these meetings. Stephanie Parker noted a recent meeting she held with North Kitsap’s Board President to offer assistance on how she can support the district.
