## ***Annual Superintendent's High School Art Show***

The Annual Superintendent's High School Art Show begins in the nine educational service district (ESD) regions around the state. Currently enrolled public high school students submit their artwork to their art teacher who then submits the student's artwork that meets district guidelines and policies, to the ESD regional art show. The regional high school art show is led by the ESD art show coordinator and/or staff in a partnering community or business organization. Artwork that is selected by each ESD (Regional Winners) are the only art pieces that are forwarded to the Office of Superintendent of Public Instruction (OSPI) for display and judging.

### ***Artwork Displayed at Olympic ESD 114 and OSPI***

Olympic Educational Service District 114 (OESD 114) and OSPI reserve the right to display student work according to available resources and in relation to the size, material, weight, and content of the student artwork.

Artwork that is not acceptable in a school district, due to policy and practice, is not acceptable at the regional or state level and if it violates internal health and safety regulations, the work will not be displayed. The teachers submitting student artwork are responsible for this compliance. ESD Coordinators have agreed that they will enforce school district and ESD policy with their Regional Art Shows.

**OESD 114:** Artwork will arrive at OESD 114 no later than Friday, **January 20, 2017**. Artwork will be displayed beginning February 6, 2017 and cannot be picked up from OESD 114 until **March 7, 2017**.

**OSPI:** Artwork will arrive at OSPI for exhibit on **March 31, 2017**, and cannot be picked up from OSPI until **June 2, 2017**.

**Students and/or teachers should contact the ESD Coordinator for any exceptions to this rule that may occur due to Advanced Placement portfolios, etc.**

### ***Artwork for Sale***

ESDs, OSPI, and other state agencies/organizations offer several purchase awards in the amount of \$200. Winning artwork will become a permanent part of the art collections of these agencies/organizations and will not be returned to the student. **Only students who agree to sell their artwork may advance to the State show as a Regional Winner.** If a student changes their decision to sell their artwork, an alternate artwork can be sent in its place.

If others, beyond those listed below, are interested in purchasing student artwork, they need to contact the student's teacher to see if the student is interested.

### ***Awards***

OESD 114:

- One (1) \$200 Purchase Award. OESD 114 reserves the right to choose the method used to determine the piece to be purchased. (Pieces judged to advance to the OSPI state-level show do not receive monetary awards.)

  - One \$2000 Scholarship Award

### ***Delivery and Return of Artwork***

**OESD 114:** Art instructors are responsible for the delivery and pick-up of student artwork to OESD 114. \*If you need assistance with transportation of artwork, please call or email OESD 114 before Friday January 6, 2017.\*

**January 20, 2017** - Deadline for delivery of entries to the OESD 114 for regional show.

Student artwork **must** remain on display at OESD 114 until **Tuesday, March 7, 2017**, to ensure the continuity of the show, with the exception of entries advancing to the OSPI state-level show (see below). OESD 114 Coordinator will return artwork not advancing to the state-show to the districts beginning March 7, 2017.

**OSPI:** ESD Coordinators are responsible for the delivery and pick-up of artwork at OSPI:

**March 31, 2017** - Delivery and set up of artwork and ESD Coordinators' Meeting.

**June 2, 2017** - Pick up artwork and return to ESDs. OESD 114 Coordinator will return artwork to the districts as soon as possible.

Student artwork **must** remain on display at OSPI until **June 2, 2017**, to ensure the continuity of the show.

### ***Judging***

Artwork in the OESD 114 regional-level and OSPI state-level High School Art Show is judged based on three criteria in alignment with the Washington State Arts K–12 Learning Standards:

1. **Creativity** — Artwork demonstrates original thinking and expressive, artistic perceptions.
2. **Composition** — Artwork demonstrates a unique and sensitive way of answering artistic problems. It illustrates student understanding of and ability to interpret the elements of art and the principles of design. It makes a unique statement.
3. **Technique** — Artwork demonstrates student competency in using the medium to achieve the desired outcome.

**In addition:** Artwork submitted to the High School Art Show **must be completely original**.

#### **Judging Guidelines:**

1. Minimum of three judges—optimally persons representing school administration, community artists, high school arts educators, postsecondary instructor, or member of Washington Art Education Association.
2. Ensure no conflicts of interest (e.g., high school art instructor judge should be from another ESD/region or a local instructor who has no entries in the show).
3. Use a system that does not identify the student's name, district, school, or teacher until after the judging is completed.
4. Use a system that encourages individual judging rather than having the judges confer and come to consensus.
5. At OSPI, all Regional Winners are judged by the same criteria. Special Education pieces are integrated with regular education and not identified as Special Education pieces.
6. It is expected that all entries align to the Washington State Arts K–12 Learning Standards.

## ***Original Artwork***

**ALL artwork submitted must be completely original!**

- If artwork is determined to be a copy, it will be disqualified from the show.
- Do NOT submit any artwork that has been copied, replicated, or manipulated from published photographs, magazines, book illustrations, or other artwork, including the Internet. **If a photo is used, the original must be reviewed by the student's teacher and approved to authenticate originality.**
- Teacher's signatures attesting to the originality of the artwork being submitted is required.
- If there is any doubt as to the originality of a piece, the teacher should not submit it. The integrity of the teacher and student in submitting only original artwork is expected and appreciated.
- By signing the Student Registration Form, students indicate their understanding of these rules.

### ***Quotas for Entries to the OSPI High School Art Show (per ESD)***

**OESD 114:** The number of entries accepted from each school for the OESD 114 regional-level show is based on school enrollment:

- 1500 students and over – Twelve (12) entries accepted
- 1000-1499 students – Ten (10) entries accepted
- 500-999 students – Eight (8) entries accepted
- 1-499 students – Six (6) entries accepted

**OSPI (per ESD):**

- **Regular Education:** Six (6) entries for every 100 (combined) pieces received for ESD Regional Show
- **Special Education:** One (1) entry for every 100 pieces (combined) pieces received for ESD Regional Show

If an ESD receives less than 100 pieces, six (6) entries are allowed for that ESD. If an ESD does not have any special education pieces, one (1) additional regular education piece may be added to make a total of seven. The goal is for seven pieces from each ESD at a minimum to be submitted to OSPI. Please contact Anne Banks, if questions arise regarding quotas.

**NOTE:** At the regional show level, the number of pieces entered by each teacher/school is up to the regional high school art show coordinator based on facility, space, etc.

## ***Receptions***

**OESD 114:** The reception for OESD 114's Regional High School Art Show will be held Monday, **March 6, 2017** at OESD 114 from 7-8 p.m. Student artists and their families, teachers, and friends are invited and encouraged to attend.

**OSPI:** The Awards Reception honoring the state winners and their families, teachers, and friends will be held Friday, **May 19, 2017**, at OSPI, Old Capitol Building, Olympia, from 1–3 pm. **All State Award Winners and their guests are encouraged to attend this special ceremony in their honor.** Regional Winners and their guests are invited to attend and view their artwork that will be on display.

**NOTE:** Anne Banks will contact each of the **State Winners** to notify them of the award and provide details. The teacher will also be notified and asked to clarify any questions the student may have about responsibilities, highlights of the award, and attendance at the reception on May 19<sup>th</sup>. Each **State Winner** will be sent a letter honoring them as a state winner. Each **Regional Winner** will receive a letter and certificate honoring them as a regional winner.

## ***Special Education***

Eligibility is determined by age (14-21), not grade placement. The student should have an Individualized Education Program (IEP) and be eligible for categorical funding in order to be placed in the Special Education judging category. Special Education entries must be indicated on the Student Registration Form.

At both the OESD 114 regional-level and OSPI state-level State High School Art Shows, all pieces will be judged by the same criteria. Special Education entries are integrated with Regular Education entries and will not be identified as Special Education entries.

## ***Student Registration Form***

Each entry submitted to OESD 114 must be accompanied by a completed Student Registration Form. The form **MUST** be filled out completely, signed, and dated. This form includes the agreement to sell, permission to display, originality certification, and release and understanding authorization which is a required component for all entries.

### ***Online Form – Under Revision at this time***

OSPI is in the process of developing an online registration form that may be used in place of the printed form attached to this packet. We anticipate that this will be available December 1, 2016. If you have any questions, please feel free to contact Anne Banks at [anne.banks@k12.wa.us](mailto:anne.banks@k12.wa.us) or Sarah Davis at [sarah.davis@k12.wa.us](mailto:sarah.davis@k12.wa.us).

### ***Printed Form***

A two-sided Student Registration Form can be found at the end of this packet. If making copies, be sure to copy both sides of the form. The form can also be downloaded from OESD 114's web site at <http://www.oesd114.org/Page/840> or emailed to you by contacting Sarah Freitas at [sarahf@oesd114.org](mailto:sarahf@oesd114.org).

- Students and teachers are encouraged to complete the forms online for clarity and accuracy when possible.
- Students under the age of 18 must obtain consent from their parent or guardian, who must sign and date the registration form.
- Inspiration Statement: Students are encouraged to include their inspiration for their art on the Student Registration Form. It will be displayed with the High School Art Show Identification Tags. Some ESDs currently do this for their regional shows.

## ***Artist's Written Statement (Submit with artwork)***

We would like to encourage all students to complete this component. The purpose is to promote reflective and critical thinking regarding visual art and to enhance visual awareness skills and processes. The statements will NOT be part of the judging process. The Artist's Written Statements are to accompany submitted artwork. OSPI continues to promote this important reflective process, which supports the Washington State Arts K–12 Learning Standards, the arts elements and principles of design, and the necessary and critical "reflective process" of all artists. Art teachers are encouraged to utilize this component in their lesson design as another way for the student artists to communicate their purpose, inspiration, and hopes for their work.
