

Procedures for adding Health Events. You will see all events listed for EHS and HS/ ECEAP (see below).

-Under the Health Tab click the “Add Event” button

Required Health Events for EHS:

- Anemia (if information was not obtained from a Well-Baby Check where anemia is listed as a sub-event)
- Dental Exam
- **EHS Well Baby Oral Health Screening (**DO NOT USE THIS EVENT UNDER THE ADD EVENT TAB**)
This event is a part of every Well-Baby check and must be answered when you are in the specific Well-Baby Check event. Oral health screening means the provider asks if a child has a dental home, may look in the mouth, may apply fluoride, and may refer to a dentist. This is not a Dental Exam. You may not see it specifically on the information you receive back from the provider however, it is a part of our states EPSDT schedule for all Well-Baby Checks and it must be entered into ChildPlus within the Well-Baby Check ONLY.
- Growth Assessment
- Health and Safety Information (tri-fold)
- Hearing
- Home Safety Handout
- Incident and Illness Report
- Lead (if information was not obtained from a Well-Baby Check where lead is listed as a sub event)
- Medication Staffing (center based only-if one completed)
- Nutrition Referral (as needed-you enter the initial date of the referral into ChildPlus, hand in paperwork to Supervisor, Health Program Manager completes follow-up in database)
- Nutrition Staffing (center based only-if one completed)
- Safe Sleep Information
- Shaken Baby Syndrome Information
- Well-Baby Check (choose which Well-Baby Check and complete the status for each “sub event” listed for that specific Well-Baby Check)
- Smile Partners (center based only)
- Vision
- Wellness Assessment

Required Health Events for HS/ECEAP:

- Anemia (if information obtained)
- Dental Exam
- Growth Assessment
- Health and Safety Information (tri-fold)
- Hearing
- Lead (if information obtained)
- Medication Staffing (if one completed)
- Nutrition Referral (as needed-you enter the initial date of the referral into ChildPlus, hand in paperwork to Health Program Manager, Health Program Manager completed follow-up in database)

- Nutrition Staffing (if one completed)
- Physical Exam (all Well Child Exams for HS/ECEAP entered here)
- Smile Partners
- Vision
- Wellness Assessment

The screenshot shows a software interface for managing health events. At the top, there are navigation tabs: Application, Enrollment, Family Services, Health, Immunizations, Disability, Mental Health, Education, Attendance, and PIR. Below these are sub-tabs: Events, Requirements, Health Information, and Attachments (0). The main area displays a table of health events with columns for Event Type, Date, and Status. A modal window titled 'Add Health Event' is open, showing a list of event options. A green arrow points to the 'Add Event' button in the top right corner of the modal. Another green arrow points to the 'Health and Safety Information' option in the list.

-Choose the event you would like to enter.

-Below is an example of the “Health and Safety Information” (tri-fold you go over with parent/guardian) event.

- Fill in the date completed, status= completed and hit save.

-Data entered will depend on which Health Event is chosen and which fields are available to complete for that event.

-“Add Actions” tab is used when there are items that require follow-up.

Add Health Safety Information

Event Date ^{PR}

Status

Agency Worker

This event is not considered for requirements because of its status.
