Health Screening During COVID-19 Procedure

Completion of Early Head Start 3-Prong Vision and Hearing screenings will continue during remote status. They will be completed with the family via zoom or phone every six months and documented in Child Plus. The method of contact that was used must also be documented.

Growth assessments for EHS/HS/ECEAP and preschool vision and hearing will not be completed during the time of remote status to protect the safety of children, families, and staff.

Staff must continue to engage and support families staying current with well child exams, dental exams and immunization schedules as available.

Staff will support families in accessing appropriate referrals to address health related concerns.

Complete documentation of conversations, referrals, etc. in ChildPlus.
