

My School Data Chart List

District Dashboard

Assessments Accordion

Assessment Charts Sub-accordion

- Shows the number (count) of students in the district who performed at each level of the assessment(s) selected in filters

Available Assessments Sub-accordion

- Shows a list of all assessments recorded in the database and how many records for each one
- No filters – all records displayed

Multi-Assessment Student List Sub-accordion

- Lists students and their scores in the district who have taken the assessment(s) selected in filters

Early Warning System Accordion

Chart – “Off Track Student Percentage by School – All Categories”

- Shows Aggregated School Risk Score for selected schools in the district - calculated for all Risk Categories)

Chart – “Off Track Student Percentage by School – One Category”

- Shows School Risk Score for selected schools in the district - calculated for single Risk Category selected

Chart – “Student Counts by Risk Factor”

- Shows a list of all assessments recorded in the database and how many records for each one

Enrollment Student List Accordion

- Shows a list of students enrolled in the district
- Shows enrollment and withdrawal dates

Offense and Discipline Accordion

- Shows a list of all students in the district with discipline events within selected dates.

School Dashboard

Assessments Accordion

Assessment Charts Sub-accordion

Chart – “Performance Levels for a Subject”

- Shows the number (count) of current students in the school who performed at each level of the assessments (shown in subject groups)

Chart – “Performance Trends”

- Shows the percentage of current students in the school who performed at each level of the assessments (shown in year groupings). Shows trend data for up to 5 years.

Assessment Student List Sub-accordion

- Shows a list of all current students and their scores in the school who took an assessment in a given subject

Multi-Assessment Student List Sub-accordion

- Lists students and their scores in the school who have taken the assessment(s) selected in filters

Attendance Accordion

- Shows a list of all students in the school with attendance events within selected dates

Early Warning System Accordion

Chart – “School Risk Factors”

- Shows Risk Scores for the school in each of the Risk Categories for that School-Level grouping

Chart – “Early Warning Student Listing”

- Shows individual students at risk in the school and each area where they are at risk
- Detailed data available on risk areas with pop-up window
- Hyperlink to that student’s individual dashboard
- Filters: same as School Risk Factors chart (above)

Enrollment Student List Accordion

- Shows a list of students enrolled in the school
- Shows enrollment and withdrawal dates
- Hyperlink to that student’s individual dashboard

Newly Enrollment Students Accordion

- Shows a list of students enrolled in the school after a specific date
- Shows enrollment date, birthdate, District ID number, SSID number and Grade Level

Offense and Discipline Accordion

- Shows a list of all students at the school with discipline events within selected dates

Standards Gradebook Accordion

Chart – “Skill Score for [Subject]”

- Shows a breakdown of the number of students at the school who have earned specific scores for selected skills within a selected subject in a term.

Chart – “Student Growth for Teacher for [Subject] for [Skill]”

- Compares the count of students by teacher who’s Student’s Skill Scores have increased, decreased or stayed the same across time

Chart – “Student Growth for [Skill] - Improvement”

- Shows the count of students at the school who’s Skill Scores have increased, decreased or have stayed the same in the selected Subject over time.
- The counts on this chart represent a summary of all students who changed levels regardless of which level they started at.

Chart – “Student Growth for [Skill] – Level Changes”

- Shows the number of students at the school who’s Skill Scores have increased, decreased or have stayed the same in the selected skill over time.
- Same data as the Student Growth for [Skill] - Improvement chart but this chart shows the data broken out by starting score levels.

Teacher Dashboard

Assessment Charts Sub-accordion

Assessment Student List Sub-accordion

- Shows a list of a teacher's students and their scores in the selected class(es) who took assessments in a given subject area

Class Assessment Performance Sub-accordion

- Shows the scores of a teacher's students in the selected class(es) who took a specific assessment.

Multi-Assessment Student List Sub-accordion

- Shows a list of a teacher's students and their scores in the selected class(es) who have taken the assessment(s) selected in filters

Chart – “Absence Count by Type”

- Shows a count of absences in a teacher's class(es) for a selected month of time
- Absence counts are broken out by type of absence (Excused, Unexcused, Tardy, etc.)

Chart – “Absence Count by Class Section”

- Shows a count of absences in a teacher's class(es) for a selected month of time
- Absence counts are broken out by type of absence (Excused, Unexcused, Tardy, etc.)

Class List Accordion

- Shows all students in a list that are enrolled in the teacher's selected class(es)
- Hyperlinks to each student's Individual Dashboard

Early Warning System Accordion

Chart – “Class Risk Factors”

- Shows Risk Scores in each of the Risk Categories for the selected class(es) for that teacher

Chart – “Early Warning Student Listing”

- Shows individual students at risk in in the teacher's selected class(es) and each area where they are at risk
- Detailed data available on risk areas with pop-up window
- Hyperlink to that student's individual dashboard
- Filters: same as Class Risk Factors chart (above)

Grades Accordion

Standards Gradebook Sub-accordion

Chart – “Student Growth for [Skill] (Improvement)”

- Shows the count of a teacher’s students who’s Skill Scores have increased, decreased or remained unchanged selected Subject over time.
- The counts on this chart represent a summary of all students who changed levels regardless of which level they started at.

Chart – “Student Growth for [Skill] (Level Changes)”

- Shows the count of a teacher’s students who’s Skill Scores have increased, decreased or remained unchanged selected Subject over time (terms).
- Same data as the Student Growth for [Skill] - Improvement chart but this chart shows the data broken out by starting score levels.

Chart – “[Skill] Trend for [Start Term] to [End Term]”

- Shows the count of a teacher’s students who scored at each Level in a selected skill across time (terms)

Chart – “Student Score Trend for [School Year] for Subject [Subject]”

- Shows a list of the teacher’s students and how their Skill Scores for a selected subject change over an entire school year
- Scores that went up or down from the previous term are highlighted in color

Chart – “Skill Score Distribution for [Subject]”

- Shows a breakdown of the number of the teacher’s students who have earned specific scores for all the skills within a selected subject in a particular term.
- Clicking on a segment of one of the bars populates in the “Student Scores for Skill” chart

Chart – “Student Scores for Skill: [Skill]”

- Shows a detailed list of the teacher’s students and their scores who scored at the level selected in the previous chart called “Skill Score Distribution” chart
- Clicking on a different segment in the previous chart changes the data on this chart

Chart – “Event Score Distribution for Skill: [Skill]”

- Shows a breakdown of the count of the teacher’s students who had certain scores on the Events associated with the skill selected in the previous chart called “Skill Score Distribution”.
- chart who have earned specific scores for all the skills within a selected subject in a particular term.
- Clicking on a different segment in the previous chart changes the data on this chart

Chart – “Student Score Listing by Subject [Subject] for [Term]”

- Shows each of the teacher’s students and their score for each skill in the subject selected.

Term Grades Sub-accordion

Chart – “Letter Grade Distribution”

- Shows the count of all Posted Term Grades received by the student’s in the selected class or class(es) combined.

Chart – “Letter Grade Distribution by Class”

- Shows the count of all Posted Term Grades received by the student’s in the class(es) broken down by class for comparison.

Chart – “Student Grades List”

- Shows a detailed list of all the individual Posted Term Grades received by the students in the class(es)

Trending Charts Accordion

Chart – “Class Absences for Past 30 Days”

- Shows the aggregated absence counts for the selected classes over the last 30 days from today’s date

Chart – “Class Offenses for Past 30 Days”

- Shows the aggregated Offense counts for the selected classes over the last 30 days from today’s date

Various Charts – “[Assessment] Trending Chart

- For each assessment, a chart is shown that displays the scores of the students in the selected class or classes from the last administration of that assessment.
- The number of charts displayed can vary with the number of assessments associated with the class or classes

Student Dashboard

Student Information Accordion

- Shows the student's basic information including grade level, overall Risk Score, Teachers and Student Programs

Assessments Accordion

- Shows a list the all assessments the student has taken and their scores

Attendance Accordion

Chart – “Student Current Year Absences”

- Shows a count of various types of attendance events for each month in the school year selected

Chart – “Student Historical Absence Trend”

- Shows a count of various types of attendance events for each year in history

Chart – “Attendance Listing”

- Shows a detailed list of the various types of attendance events in history

Class Schedule Accordion

- Shows a detailed list of the student's class schedule

Early Warning System Accordion

Chart – “Student Risk Level Trend”

- Shows the student's risk scores across time

Chart – “Student Risk Scores”

- Shows the student's risk scores in each Risk Category

Chart – “School Risk Scores”

- Shows the average Risk Scores in each Risk Category for the school the student attends

Chart – “Student Risk Indicators”

- Shows the count of items or events in each Risk Category

Chart – “School Risk Indicators”

- Shows the average count of items or events in each Risk Category for the school the student attends

Education Milestones Accordion

- Shows a detailed list of the student's Educational Milestones

Enrollment Accordion

- Shows a detailed list of the student's Enrollment History inside and outside the district

Grades Accordion

Standards Gradebook Sub-accordion

Chart – “Skill Score for [Subject]”

- Shows all the Skill Scores for the student in a Subject in a Grading Term

Chart – “Event Scores for [Subject]”

- Shows all the Event Scores for the student in a Subject and Skill in a Grading Term

Chart – “Student Score Listing for [School Year]”

- Shows a list of scores for all Subject and Skill combinations for the student in a class for the School Year selected

Chart – “Skill Trend for [Subject]”

- Shows the student's Skill scores for a Subject in a class for across time (Terms)

Chart – “Student Growth for [Subject]”

- Shows the count of Skill Scores in a Subject that have increased, decreased or remained the same across time (Terms)

Term Grades Sub-accordion

Chart – “Letter Grade Distribution per Grade Level”

- Shows the count of all Posted Term Grades received by the student in the Grade designated by the School Year.

Chart – “Letter Grade Distribution for School Year”

- Shows the count of all Posted Term Grades received by the student in each term of the selected School Year.

Chart – “Student Grades List”

- Shows a detailed list of all the individual Posted Term Grades received by the student in the designated School Year

Offense and Discipline Accordion

Chart – “Offense Trend for School Year”

- Shows the count by month of all Discipline events in the selected School Year

Chart – “Student Historical Offense Trend”

- Shows the count of all Discipline events for the student for each year in history

Chart – “Student Offense Listing”

- Shows a detailed list of all the individual Discipline events for a student for each year in history
