

## WSIPC Links Widget

### Quick Reference Guide:

- Click **Select Widgets** on the “Jump to Other Dashboards” Pseudo Widget (located on the upper left corner of the home screen).

- Select the “WSIPC Links” Check Box and click **Save**. Teachers should select **WSIPC Links** under Teacher Widgets. Secured Users should select **WSIPC Links** under Secured User Widgets. Widget options will vary based on the district’s widget selection.

- The WSIPC Links widget will now display on the dashboard. The links can be used for quick access to My School Data.
