1. How do I change my address or my password?

To make changes to your account, once you are logged in just click on your name at the upper right of the screen. On the dropdown list you will have options to edit your profile, change your password, and edit your preferences. Make sure to click the "Save" or "Update" button after you make your changes.

2. Can I still send in my clock hour forms to the OESD with a check or stop by the OESD office to register my hours?

Yes! If you prefer not to register and pay for your clock hours online, you still have the option of printing your clock hour form and sending it in to our office.

3. Is there an app for that?

Yes! There is a free pdEnroller app available for <u>Android users</u>. Download on your device and manage your registrations and clock hours anywhere.

4. How do I submit a clock hour proposal on the new pdEnroller system? OESD 114 now accepts Clock Hour Proposals online. If you don't already have a registration/clock hour proposal online account, you will need to create an account to begin using the online proposal process.
