The data entry box opens.

- Check the box for Health Alert and/or Pick Up Alert.
- Enter Flag Notes to briefly explain the reason for the alert.
- Click OK to save the flag.

Groups Child Sample belongs to

Group Name	Flag Notes
<input type="checkbox"/> 22-23 Application	
<input type="checkbox"/> Eligibility IEP for ECEAP	
<input type="checkbox"/> Health Advisory Committee	
<input checked="" type="checkbox"/> Health Alert	Allergy to red dye.
<input type="checkbox"/> IEP/IFSP	
<input type="checkbox"/> No Inperson COVID	
<input checked="" type="checkbox"/> Pick Up Alert	Dad cannot pick up. Contact mom if he shows up.
<input type="checkbox"/> Policy Council	
<input type="checkbox"/> Preferred Partner	
<input type="checkbox"/> Virtual Not 1st Choice	

Click on Health Alert group and/or Pick Up Alert group as needed.
You must enter Flag Notes to briefly explain the reason for the alert.

OK Cancel

The flag(s) you selected will appear next to the child’s name. Click on the flag to see the notes. As Health Alerts and Pick Up Alerts change, you must click Flags to open the data entry box and make your changes. Uncheck the box if you need to remove the alert.
