

Family Goal Event – ChildPlus Instructions

This Family Services Event is created once per year based on Mobility Mentoring/Early Learning Family Strengths and Goal Planning. If a family goal is completed or discontinued, a new Family Goal can be created.

Initial Date: Date family goal planning is completed.

Description: Enter brief, informative description of the goal

Source of Information: Enter Family Partnership

Family Outcome: Check up to two

Case Worker: Select your name if does not auto-fill

Closure Expected: Enter anticipated completion date

Progress: Select Goal Achieved, Goal Attended or Goal Discontinued

- Goal Achieved=family completed the goal
- Goal Attended=in progress/addressed partially
- Goal Discontinued=discontinued, reason required in action note

Date Closed: Enter closed date when goal is achieved or discontinued.

Result: When date closed, enter result. Select Met Fully, Met Partially, Not Met-Agency Problem or Not Met-Parent Problem as appropriate

Event Notes: Click the clock and enter SMART goal

Mobility Mentoring – Bridge: Check one only

Attach the Family Strengths and Goal Planning Form under Family Services tab.

Actions:

Add Scheduled Actions for each step.

- Description on scheduled actions for the steps must be a brief, informative description of the step.
- To update progress on a step, open the scheduled action to update status or add notes.
- When actions are completed enter Action Date and Action Completed.

Add actions as needed that are not specific to the steps.
