

Make-n-Take: Learning Expectations Poster

Spend a few minutes reflecting, and then write and draw whatever it is you want your child to experience this year. (Ex. Following a routine, making friends, etc.)

What is something special you want me to know about your family?
What is you want your child to learn during their time with me?
What is important for your child to know?
What do you value?
What words describe your child's personality?
Add your own ideas here (favorite story, activities, foods, toys, places, etc.)
