

**OLYMPIC ESD 114 BOARD POLICY  
USE OF MATERIALS**

**POLICY 2021**

Procedures for resolving any appeal relative to the use of IMC or OESD 114 materials in a local school district shall be considered the responsibility of the local school district. OESD 114 encourages the use of quality instructional materials specifically designed for instruction which meet recognized educational standards and objectives rather than those which are designed for entertainment purposes.
