

# Me & My Family

When I grow up, I want to be...

Our favorite things to do together are:

Things that make me happy...

This is my favorite color:

What is your family's greatest strength?

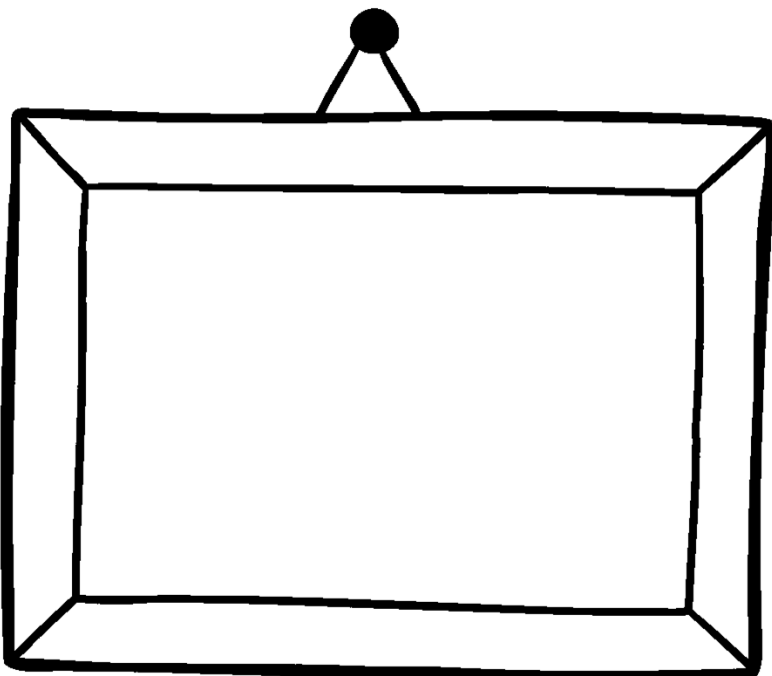

What does your child want to learn in our program this year?

My favorite animal is...

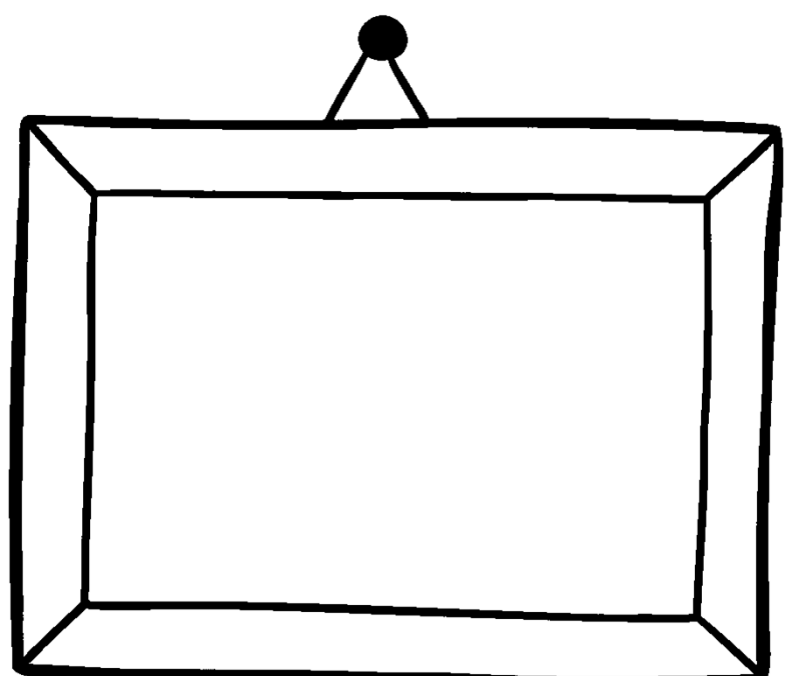

What is something special about your family?

What is your family's favorite story to read together? (can list more than one)

Things we like to eat together...
